Who should complete an SBA Profile in the DSBS?
REQUIRED: Firms applying for SBA certification as HUBZone, 8(a) Business Development, or 8(a) Joint Venture Program or self-certifying as WOSB or EDWOSB for the WOSB Federal Contracting Program must complete the SBA Supplemental Pages to register or update their SBA Profile.
OPTIONAL: We highly recommend all small businesses complete the SBA Supplemental Pages to register or update their SBA Profile.
How do I complete an SBA Profile in the DSBS?
Select Register or Update SBA Profile on this page. This will open a new window and take you directly to the SBA Supplemental Pages for your entity. Please remember to come back to the SAM window to complete and submit your entity registration.
How do I know if my entity gets an SBA certification?
SBA will notify SAM if and when your entity is added to a certification program. SAM will send an e-mail to your entity's administrator when the SBA sends the confirmation.
If your entity is added to the 8(a) or 8(a) Joint Venture Program, the Business Type information will be updated. You will be instructed to review the changes found on the General Information page and to re-certify to your entity's small business status.
If you are added to the HUBZone Program, the Representations and Certifications portion of your entity's registration will be updated. You will be instructed to review the changes and re-certify to your entity's small business status.
