Train Your Team to Support Business Development

The Problem

Your BD team can't be everywhere. Your operations and delivery staff talk to customers daily—but don't know how to recognize opportunities or support capture.

The Solution

A 30-day program teaching non-BD employees to support business development using **free public tools**.

What They'll Learn

- Week 1** Market & Buyer Intelligence
- Week 2** Opportunity Discovery
- Week 3** BD & Capture Fundamentals
- Week 4** Proposal Support & Readiness

Who Should Attend

- Program managers on federal contracts
- Operations and delivery staff
- Technical staff with customer contact

Program Includes:

- ✓ 8 live instructor-led sessions
- ✓ Hands-on exercises with free tools
- ✓ Certificate of Completion
